

PREMIUM RV SANITATION

Environmentally-conscious

Walex RV products are free from formaldehyde & bronopol, making the entire product line compliant with environmental regulations like California Senate Bill 317.

SB 317 prohibits the use of products containing 14 specified chemicals in a holding tank or other portion of a waste facility of a (1) recreational vehicle or (2) campground chemical toilets that discharge to certain types of waste systems. Walex's PhD chemists have ensured that all Walex formulas provide the superior odor control customers expect while complying with California's new regulations.

Our products are top sellers not only in the U.S. but also in over 50 countries all over the world. In addition to our United States headquarters, Walex operates offices in Beijing, China and Sao Paulo, Brazil.

New Fragrances

CLEAN LINEN

Introducing Porta-Pak Clean Linen

The best-selling drop-in deodorizer worldwide, Porta-Pak, is now available in Clean Linen fragrance. This refreshing scent complements the existing Porta-Pak fragrances, Lavender and Fresh Scent.

- Same powerful deodorizing formula in a new fragrance
- Extensively tested in the Walex R&D Lab
- Long-lasting and effective
- Free from formaldehyde & bronopol

New Fragrances

OCEAN MIST

Introducing Bio-Pak Ocean Mist

Walex's enzyme-based deodorizer and digester, Bio-Pak, is now available in Ocean Mist fragrance. This refreshing scent complements the existing Bio-Pak fragrances, Tropical Breeze and Alpine Fresh.

- Same enzyme-based formula that deodorizes & digests black tank solids
- Extensively tested in the Walex R&D Lab
- Eliminates need for special RV toilet paper
- Free from formaldehyde & bronopol

PLANOGRAM

The Small Walex Planogram includes everything an RVer needs to maintain and freshen their holding tanks.

The Small Walex Planogram includes the holding tank essentials: a powerful black tank deodorizer, an enzyme-based digester, a black tank cleaner and a grey tank deodorizer. The bright, colorful pouches create an eye-catching display.

BIOCIDE-free Deodorizer & Waste Digester

BIO-PAK®

Holding Tank Deodorizer

PORTA-PAK®

BIOPPBG

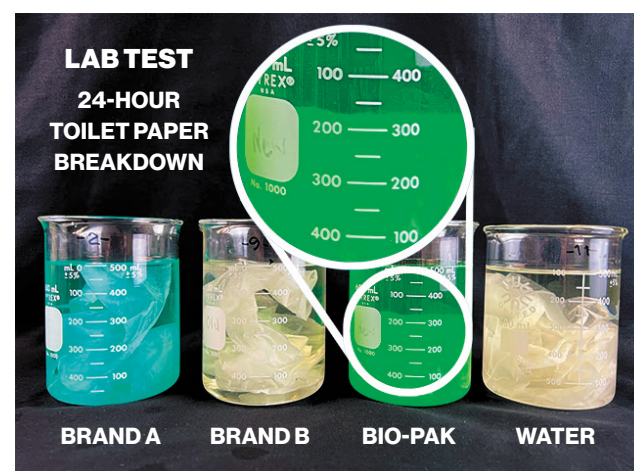

BIOTROBG

BIOOCEANBG

Bio-Pak® provides portion control and is easy to use with no messy liquids; you just drop it in. The environmentally friendly enzyme formula starts working immediately to control odors, clean sensors and break down solids in the waste tank. Liquefies all types of toilet paper, eliminating the need for special toilet paper! Continued use ensures that pipes, valves, and seals will be trouble-free.

- Removes odors & cleans tank and sensors
- Biocide-free
- Safe for septic tanks
- Formaldehyde-free
- 10 sachets per bag, 12 bags per case

Bio-Pak® is now available in a 50 Pak bag that offers the same benefits as the original retail size in an even more economical size more suitable for the full-time RVer, service center, and for RV rentals.

BIOBLUEBG

- 50 sachets/bag, 5 bags/case
- Available in Mint

#1 Portion Control Drop-In Worldwide

Just drop Porta-Pak® in your toilet and the prepackaged portion controls odor, breaks down waste and paper, lubricates valves and cleans sensors!

Travel with a familiar scent from home. The industry's #1 sold portion control holding tank product is now available in two scents: Lavender Breeze and Fresh Scent.

- Unbeatable odor prevention
- Convenient zipper bag for easy storage
- Formaldehyde-free
- Biodegradable
- 10 sachets/bag, 12 bags/case

Porta-Pak® is now available in a 50 Pak bag that offers the same benefits as the original retail size in an even more economical size more suitable for the full-time RVer, service center, and for RV rentals.

- 50 sachets per bag, 5 bags per case
- Available in Fresh Scent

PPSGBG

1 PORTA-PAK
treats a 40-gallon tank
for 7 days, even in 100°+
temperatures!

NEW FRAGRANCE!

PPRV10CLEAN

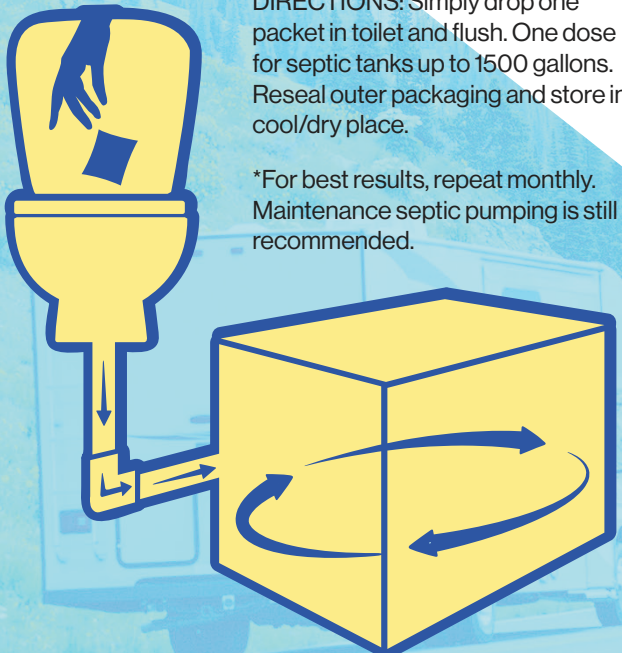

PPRV10LAV

PPRV10

A Powerful, Reliable Solution to Septic Tank Maintenance

Use Bio-Active to restore the biological population of good worker bacteria and enzymes which reduce solids. The beneficial bacteria get carried over to the leach field to reduce solids and help prevent clogging. A clogged leach field is the biggest problem for septic systems, the hardest and most costly to repair.

- Each bag = 1 Year Supply!
- Safe for All Plumbing
- Packed with Powerful Bacteria & Enzymes
- Helps Prevent Back-ups, Overflows, & Odors

DIRECTIONS: Simply drop one packet in toilet and flush. One dose for septic tanks up to 1500 gallons. Reseal outer packaging and store in cool/dry place.

*For best results, repeat monthly. Maintenance septic pumping is still recommended.

Recyclable Bag

Bio-Active's enzyme-based drop-in packets are now packaged in a recyclable pouch, making the entire product eco-friendly! Visit How2Recycle.org for recycling instructions.

BIO-ACTIVE SEPTIC
Portion-controlled septic tank treatment
quantity: 12 bags per case / 12 packs per bag

BIOSP1

ELEMBG

The Elemonate® formula is environmentally-friendly & biodegradable!

Freshen sink and drain lines to eliminate odors. Quick-dissolve tabs use the same odor-control formula found in Porta-Pak® Holding Tank Deodorizer plus enzymes that dissolve grease in the grey water tank, garbage disposals, and drain lines. The triple action deodorizes grey tank, freshens sink and drain lines, and dissolve grease and organic sludge. Continued use keeps tanks and lines free-flowing and odor-free.

- Cleans sensors inside grey tank
- Dissolves rapidly
- Formaldehyde-free
- Biodegradable
- 5 tablets per bag, 12 bags per case

Also great for showers & disposals!

Black Tank Cleaner COMMANDO®

Holding Tank Treatment BIO-ACTIVE®

Experiencing false readings from your sensors, or a continuous odor from your black holding tank? If so, you most likely have residual waste build-up on your holding tank interior walls and level sensors. Using Commando™ Black Holding Tank Cleaner will remove the odors and sensor build-up in as little as 12 hours. The super-concentrated, scientifically developed formula is filled with natural enzymes to penetrate the walls and sensors to break down waste and paper build-up.

- Restores sensor function
- Super-concentrated enzyme formula
- Easy to use dissolvable packet
- Removes waste and paper from the tank walls
- Retail bag: 4 sachets per bag, 12 bags/case
- Bulk Tub: 40 sachets per tub, 4 tubs/case

This advanced formula cleans your entire tank in 12 to 24 hours!

Treat your black holding tank system with an all-natural enzyme cleaning treatment in as little as 12 hours. Continued use of Commando™ every 3 months will keep your tank in good working condition.

Bio-Active® holding tank treatment uses powerful 100% environmentally friendly ingredients to break down and liquefy waste and tissue by speeding up the natural composting process. Prevents clogging while keeping valves and seals lubricated. **Tip-and-pour lid makes it easy to adjust dose for cassette toilets or porta-potties.**

- Fragrance-free
- Non-staining
- Formaldehyde-free
- 100% biodegradable
- Biocide-free

Available in three sizes:

- 40oz. - 12 bottles per case
- 68oz. - 8 bottles per case
- 168oz - 3 bottles per case

Air Freshener OVATION®

Long-lasting Odor Control Technology

- Lasts up to 30+ days!
- Commercial Strength
- Available in Lavender, Fresh, Citrus & Assorted
- 24 per case

Pin it, hang it, place it—anywhere!

Ovation® freshens any space for a full 30+ days. Use it in restrooms, vehicles, homes, storage rooms, or anywhere needing a boost of fragrance.

Odor Eliminator ODOR ABSORBER®

Absorb & Eliminate Strong Odors!

- Lasts up to 60 days
- Now available in Lavender & Orange Twist!
- Biodegradable, non-toxic & environmentally-safe
- Works in spaces up to 300' sq.
- 12 per case

Don't just mask odors—destroy them

Odor Absorber® is a gel product, infused with a layer of charcoal, that eradicates and absorbs odors. Odor Absorber® captures and removes odors better than other air fresheners that only hide odors temporarily. As soon as Odor Absorber® is opened, our exclusive formula goes to work, neutralizing odors in the air and creating a bright, fresh-smelling space.

Odor Eliminator Spray ASSURE®

- Contains natural essential oils
- Does not clog nozzle
- Non-toxic
- Environmentally-friendly
- 32oz - 6 bottles per case

Assure™ actually destroys odor molecules on contact, whether in the air or on fabrics. Use on couches, chairs, carpets, and other fabric surfaces. Leaves the area with a fresh fragrance that lasts. Assure™ Odor Eliminator is designed specifically to fight even the toughest pet, trash, and bathroom odors. Also great for eliminating smoke, mold and mildew, or anywhere a foul odor is present. Safe for use around dogs and cats.

Industrial Strength Cleaner & Degreaser GREEN HORNET®

An entire cupboard of powerful cleaning products in one bottle!

Eliminate the need for single purpose cleaning products with Green Hornet®. The three biggest selling cleaning products in the RV industry are Rubber Roof Cleaner, Awning Cleaner, and Black Streak Remover -- Green Hornet® completes all of these tasks with one easy super-concentrate, eliminating the need for single purpose cleaning products.

- Saves time & money
- Biodegradable
- 64oz - 8 bottles/case; 32oz - 6 bottles/case
